Re: Women's History Month of March 2022

**PETALUMA'S NEWEST RESTAURANT SOL FOOD HONORED
THE PETALUMA WOMAN'S CLUB AT THEIR OPENING IN
PETALUMA.**

Sol Food extends gracious invite to #30 PWC Members plus one, who lined-up at the Restaurant in Petaluma March 11th, to enjoy "to go" meals, authentic Puerto Rican Cuisine, located in Theatre Square at 151 Petaluma Blvd S, Petaluma CA.

"The Petaluma Woman's Club is a staple and a contributor in Petaluma. Sol Food is a woman owned business, and a huge supporter of non-profits in the community. So the pairing just seemed very natural – a win-win for all!" said woman business owner Sol Hernandez, of Sol Food in San Rafael, and now in Petaluma.

Sol Hernandez, along with good friend, Christine Aluia tapped Linda Corbett, PWC member and recipient of Petaluma's Good Egg Award (2020-2022) to coordinate the evening. A successful event with the accolades still coming in as, "over the top", "fantastic", "wonderful experience for all" "quick turn-around from order placement to pickup" "We're thrilled for Sol Food"
